

# PRESS RELEASE

29<sup>TH</sup> JANUARY 2026

## CHANGE OF BANK LICENCE

The Board and Management of Finance Trust Bank wish to inform its customers and the general public of our transition to a Tier II Credit Institution following Bank of Uganda's issuance of a new licence to operate under this platform effective 1<sup>st</sup> April 2026.

All our services will remain available across the Bank's nationwide branch network and service points. As we make this strategic transition, we are mindful of the great performance that the bank is experiencing and the opportunities in both new and existing business segments.

Finance Trust Bank is committed to championing growth as we continue to introduce innovative financial products, services and channels to champion economic and social empowerment for all.

We commit to a seamless transition process while ensuring total compliance with all regulations and best banking practices pertaining to Tier II Credit Institutions throughout the change process.

We wish to extend our utmost appreciation to our customers and other stakeholders that have stood with us during this period. We commit to continuous quality service delivery to meet and exceed our customers' expectations.
